2.8 – Number Eight

The screenshot shows a code editor interface with a dark theme. On the left, there's a sidebar with various icons. The main area displays a Python file named 'number_eight.py' containing the following code:

```
1 # addition
2 print(5 + 3)
3 # subtraction
4 print(10 - 2)
5 # multiplication
6 print(2 * 4)
7 # division
8 print(16 // 2)
```

Below the code editor is a terminal window showing the execution of the script:

```
stjerneva@Stjernevams-MacBook-Pro ~ % /usr/local/bin/python3 /Users/stjerneva/Desktop/number_eight.py
8
8
8
8
stjerneva@Stjernevams-MacBook-Pro ~ %
```

The terminal status bar at the bottom indicates: Ln 8, Col 15, Spaces: 4, UTF-8, LF, Python, Signed out, 3.14.2.
